Section 5. Race and Ethnicity Identification – Collection Procedures

- 1. Each NSHE institution shall collect student race and ethnicity information in compliance with federal reporting requirements of the U.S. Department of Education. Institutions must use a two question format to collect race and ethnicity data on all written and on-line applications for admission as follows:***

Question 1: Are you Hispanic or Latino? (A person of Cuban, Mexican, Puerto Rican, South or Central American, or other Spanish culture or origin, regardless of race.) ***Yes*** ***No***

Question 2: Please select the racial category or categories with which you most closely identify by placing an “x” in the appropriate box. Check as many as apply.

American Indian or Alaska Native
Asian
Black or African American
Native Hawaiian or Other Pacific Islander
White

- 2. This format is required to meet the U.S. Department of Education requirements for collection of all student race and ethnicity information and is effective Fall 2009. Admission applications may include definitions for each racial category as defined by the U.S. Department of Education. This does not preclude an institution from collecting additional information.***
