

**BOARD OF REGENTS  
BRIEFING PAPER**

**Agenda Item Title:** Amendments to the Board of Regents Code, Title 2, Chapter 5, Section 5.6.2  
Regarding Confidential Personnel Information

**Meeting Date:**     Sept. 6-7, 2012

**1. BACKGROUND & POLICY CONTEXT OF ISSUE:**

The Code Review Task Force has been working on proposed amendments to the Code, Title 2, and recommends amendments to Chapter 5, Section 5.6.2 to clarify that certain student employee and other personnel records are confidential, and to allow the release of information to certain civil rights agencies in connection with discrimination t1l6(in)m1(c),( t)aj /TTTT1 1 Tf3-C

The current policy regarding the confidentiality of personnel and payroll information does not appear to permit the release of such information.

The policy should be amended to be consistent with these requirements regarding release of information relating to allegations of research misconduct.

If the policy is not amended, the release of information either to civil rights agencies or in connection with allegations of research misconduct, as noted above, could result in breach of contract or privacy violation claims from NSHE employees.

The policy should also be amended to reflect the confidentiality of personnel and payroll records of graduate assistants, student employees, resident assistants and postdoctoral fellows.

There is no reason to exclude such records from the confidentiality that is afforded to all other personnel and payroll records under Board policy.

If the policy is not amended, there is a risk of inconsistent interpretation of the policy under the circumstances noted above.

**5. POTENTIAL ARGUMENTS AGAINST THE REQUEST/RECOMMENDATION:**

The policy, as written, may be interpreted consistently with the requirements of state, federal law and regulations, and/or the terms and conditions of grants and contracts. In addition, there is no need to amend the policy because the human resources departments at NSHE institutions already treat the records of graduate assistants, student employees, etc., as confidential.

**6. ALTERNATIVE(S) TO WHAT IS BEING REQUESTED/RECOMMENDED:**
